Each Has Received a Gift...Use It To Serve

You may or may not realize it, but there are things that need to be done for the church and by the church. Often these jobs are bore by a minority of the members and sometimes these jobs simply go undone. I realize that we are approximately one-third of the way through the year already, however it is not too late to make a "new year's resolution" and decide to do more for the cause of Christ.

Before you ask what it is that needs to be done and what it is that you can do realize this:

1. These jobs are not always glamorous. Some jobs are seen and acknowledged on a regular basis, yet some are not! However, the unglamorous jobs also need to be done and without these sometimes souls are not saved, restored, and/or maintained.
2. These jobs sometimes require commitments. Some individuals have trouble

keeping up with their own schedule and meeting the obligations that they have laid upon themselves or others have laid on them, but if you ask to do one of these jobs, please meet your obligations.

3. These jobs that we give are not an exhaustive list, they merely serve as examples. If you decide to serve, use your imagination. Some of the best ideas of how to maintain and encourage souls may yet to be thought of and you may be the one to think of it.

There is a sign-up sheet posted for some of these jobs and a list next to that sheet of some other jobs that need to be done, but if you see something that needs to be done just do it and if you have the ability and opportunity to serve realize that it is a privilege from the God who made you and sustains you!

-Daniel

As each has received a gift, use it to serve one another, as good stewards of God's varied grace. 1 Peter 4:10^{ESV}
