## NEVER AGAIN IN HISTORY

The date was July 8, 2009...or 07-08-09. Many outlets, such as the "TODAY Show" and internet [news outlets](#), highlighted the whimsy of such moments during the day as 12:34.56 pm (123456789), 10:11 am (7891011), 4:56 pm (456789). The phrase that inevitably followed each of these occurrences was, "This is the only time this will ever happen." Indeed, those moments were notable and worthy of recognizing in the "useless information" department. But do we re-

alize every moment only happens once in history? The moment I am typing this, 4:38 pm on 07/26/09 (thanks to WordPress scheduler), will never occur again. The moment you are reading this will never occur again.

Our God has not created this world and our lives with unlimited hours, minutes, and seconds. We must remember to use every moment in this life to prepare ourselves and others for the life after this one, when time will cease.

*For we are strangers before you and sojourners, as all our fathers were. Our days on the earth are like a shadow, and there is no abiding. ~ 1 Chronicles 29:15*

~ Joey Sparks

### TODAY'S MEMORY VERSE:

**Colossians 1:18 (ESV)** And he is the head of the body, the church. He is the beginning, the firstborn from the dead, that in everything he might be preeminent.

(Last Week: Matthew 16.24)
