This past week I had the following shared with me. I am not sure who the author of the paragraph below is, however I do think it is worth our time to read! Will you take up the challenge to...

INVITE!

The number of visitors is a reflection upon the efforts we put forth at talking up the local church, and hence Christ Himself. We need to start seeing more visitors in our assemblies that are the direct result of invitations to friends, co-workers, and family to attend the services. Though we do see some of this taking place, it is the exception and not the general rule. I think we would all agree that much more can and must be done by all members [of the Hardin church of Christ] in the area of personal evangelism. Why not make a commitment today to bring a visitor with you just one week each month? That is a starting point. Choose a specific week for this month, formulate a list of prospects, and start making contacts. Start calling your list until you get a firm commitment from a prospect to visit with you. You just might be surprised at the good your efforts will bring forth from that simple effort.

THIS WEEK'S MEMORY VERSE:

Deuteronomy 30:19-20 (ESV)
 I call heaven and earth to witness against you today, that I have set before you life and death, blessing and curse. Therefore choose life, that you and your offspring may live.
 (Last Week: *Philippians 2.3*)
