United States Map

After checking the mail one afternoon, the gentleman sat down in his favorite chair to read the magazine that he had been anticipating. As he was reading, his youngest daughter began asking him to show her what the United States looked like.

Irritated, he ripped a page out of his new magazine that had a map of the country on it. He tore the page into a number of small pieces and told his daughter to go into the next room and put them together. He said, "When you put the pieces together, you will see what the country we live in looks like."

After a short time his daughter returned with the map properly fitted and taped together. Surprised at the speed in which she assembled it he asked her how she had finished so quickly. His daughter answered him, "It was easy, on the opposite side of the map was a picture of Jesus. When I got all of Jesus back together and where he belonged, then our country just came together."

...The LORD is in his holy temple; let all the earth keep silence before him."
