Summertime is usually very busy for most people. There are often many more things going on at home, vacations planned and taken and there are always more things going on with the church! Summertime is the time for people who are willing or want to do work with or for the church to shine!

A number of you helped out at Pee Wee Weekend (like you do almost every year) and it could not have been pulled off without you and people like you!

Several of you cooked and brought food and prepared in a number of ways for our Summer Youth Series last week (We had around 325 people!!!) and it could not have been pulled off without you and people like you!

Every week many of you teach classes, do things around the building, lead in public worship, and prepare in a number of ways for church services and when you are gone on vacation or sick your lack of presence is noted and our services could not be pulled off every week without you (certainly not as well) and people like you!

In a week and a half our Vacation Bible School (held with and at Union Hill) will start. Many have already volunteered to and began helping with this endeavor (planning, teaching, food, crafts, supervision, etc.) and there are still things that can be done! In the foyer you will see advertisements for our VBS. These are to be handed out to your friends (your friends with children and grandchildren), your children's friends, neighbors, etc. and when we knock on doors. If you want to mail them, address them and put them in the basket in the foyer and we will put postage on them. If there is something else that you would like to do see Trice or Tim and we will get you a job!

The sick get visited, the discouraged get encouraged, the needy receive assistance and when these things and others get done it is because of good people like you!

To all of you who plan, lead, work and generally make the things happen...THANK YOU! No preacher, deacon, eldership, or anyone else. could do it without you. The only way Hardin will grow (continue growing) is because of you! God bless you!

Daniel
